Mine. I liked the sound of that word. Whenever I thought about Ana, when I thought about having her naked in my bed, my fantasies always included her telling me that she was mine. It was a small word, only four letters, yet it meant so much. In some ways, it was everything.

A FRESHMAN, HER ROOMMATE, A GUY and A LIST...

**THE FRESHMAN:** Ana Alves came to college for one reason--to be the first person in her immigrant family to earn a degree. She doesn't want anything to derail her from her pre-med studies, especially a guy.

**HER ROOMMATE:** Nicki Payne is ready to party and she doesn't waste any time hooking up with a guy in a frat house bathroom. Her motto: College is a time to be young, wild and free.

**A GUY:** Christopher Knight is the easy-going English major with a sexy smile and killer body who sits next to Ana in her Shakespeare class. Ana finds Christopher intriguing. She just doesn't want to admit that she's falling for him.

**THE HOOKUP LIST:** A list of freshman girls who are ready for action that's circulated to the freshman guys via a weekly Listserv. When Nicki Payne is one of the first girls featured on The Hookup List, guys start knocking on her dorm door at all hours of the day and night looking to score...

But what happens when one of those guys is Christopher?

This new adult romance contains language and content intended for adult readers (18+). A note from the author: The cover image is intended to depict Nicki and Spence not Ana and Christopher. My reason for using the secondary couple on the cover is because Nicki appears on the Hookup List in the story. I'm sorry for any confusion this causes readers!
