Shalia is a proud daughter of the desert, but after years of devastating war with the adjoining kingdom, her people are desperate for peace. Willing to trade her freedom to ensure the safety of her family, Shalia becomes Queen of the Bonelands.

But she soon learns that her husband, Calix, is motivated only by his desire to exterminate the Elementaeâ€™mystical people who can control earth, wind, air, and fire. Even more unsettling are Shaliaâ€™s feelings for her husbandâ€™s brother, which unleash a power over the earth she never knew she possessedâ€™a power that could get her killed. As rumors of a rebellion against Calix spread, Shalia must choose between the last chance for peace and her own future as an Elementae.

This intense, richly drawn high-fantasy by the author of Scarlet will hold readers spellbound.
